Paper Submissions

The submission process is open through March 17, 2023. Paper can be submitted electronically in PDF format or a URL link to the paper via

<https://editorialexpress.com/conference/ESAM2023>. Each person may submit only one paper and present only one paper. However, each person is allowed to co-author multiple papers submitted to the conference. At least one author of each paper must be a member of the Econometric Society. To join or renew a membership, please visit <https://www.econometricsociety.org/user/register>.

For more information about the conference, please visit www.esam2023.org.

Submitting Full Sessions

The ESAM accepts the submission of entire sessions (four papers) but does not guarantee that all papers in a session will be accepted. If a session is not accepted in full, the Program Chair reserves the right to reassign papers. Information on submitting full sessions can be found on the dashboard when you submit a paper.

Awards for the Best Papers by Young Researchers

Two prizes will be awarded for the best papers presented by young researchers within five years of their PhD, i.e. with PhD awarded not earlier than January 1, 2018. When submitting papers, presenters who want to be considered for the prize will have to click a box to indicate their interest and to certify that they are eligible.

On-Site Childcare

We will potentially be able to provide on-site childcare at the conference. More information will be available at the time of registration.
